THOUGHTS FROM

Stacy Desario

SHRM-LI Conference Volunteer, 2012-2013

As a second year volunteer for the SHRM-LI conference, I have made great connections as well as good friends. This year's conference was just as effective as the last with helpful and friendly volunteers and SHRM members. The most rewarding part of volunteering was knowing that I contributed to the success of this year's SHRM-LI conference. It was such a pleasure volunteering with everyone from last year and all the new volunteers. I'm excited to see what the next year's conference will bring!

THOUGHTS FROM
Billy Sweeney
SHRM-LI Conference
Volunteer, 2013

I am brand new to SHRM-LI and volunteering at the SHRM-LI Conference was my first experience with the organization.

At first, when I arrived at Crest Hollow, it all seemed overwhelming watching volunteers and members running around at 6:30am! However, I quickly realized that everyone from SHRM-LI was extremely helpful and gracious.

Laura, Ancy, SHRM members, and other volunteers helped me a great deal, and by the end of the day I felt like I was part of a team. The volunteering itself was a great networking experience.

It was rewarding, and I look forward to future events. In addition I hope to become a more valuable member of SHRM-LI!
